Decision Notice on Environmental Assessment (EA) To Expand Parking Lot at Duck Creek Fishing Access Site Fort Peck Reservoir

**Region Six
Montana Fish, Wildlife and Parks
RT 1-4210
Glasgow, MT 59230
September 30, 1997**

DESCRIPTION OF PROPOSED ACTION:

Montana Fish, Wildlife and Parks (FWP) proposes to expand the existing vehicle parking area at Duck Creek Fishing Access Site (FAS), Fort Peck Reservoir to accommodate increased use by anglers and recreational boaters. Work will consist of leveling the lot near the existing parking area and adding additional gravel.

COMMENTS:

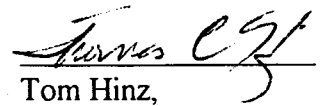

No comments were received in writing or verbally from the public or government agencies during the 30-day review and comment period.

DECISION:

With no negative comments from the public or other state or federal agencies during the comment and review period from August 20 to September 20, 1997, the proposed parking lot expansion for the Duck Creek FAS will proceed.

Action on this decision will begin immediately. The draft EA will be accepted as the final EA through his decision notice.

The final EA may be viewed or obtained from the Montana Fish, Wildlife and Parks, Region 6 headquarters, RT 1-4210, Glasgow, MT 59230. Please direct any questions to:
